ABOUT

cARTie's MODEL

cARTie is a 501(c)(3) non-profit organization bridging inequities in education and arts access across Connecticut. A 'reimagined museum' that brings the museum field trip to schools, cARTie deconstructs the traditional White, eurocentric model of what an art museum is by making sure all Connecticut youth see themselves represented in the works of art on display, featured artists, and experiences they have while visiting. cARTie strives to: (1) offer inclusive internship and exhibition opportunities to a diverse population of high school arts students and (2) provide critical museum-based learning opportunities that enrich and deepen early education to K-2 students who otherwise may not have access to robust arts programming (while meeting the National Core Arts Standards and Common Core State Standards). ***As a leader in our community, your sponsorship will help provide critical arts-learning opportunities to thousands of children across Connecticut.
